

The General Services Administration (GSA) has been in the process of reviewing several areas of concern involving non-compliance within the Tenders of Service (DTOS and ITOS). As referenced in the Carrier Request to Participate and Agreement to Abide by the Terms and Conditions of the GSA Centralized Household Goods Traffic Management Program, all Participants must abide by the terms and conditions set forth in the TOS. Failure to do so may result in a participant being placed in a suspended status.

To date, the following carriers have not responded to GSA's inquiries and, therefore, have been placed in a temporary non-use status in accordance with the Tender of Service. Once issues are resolved, the firms name will be removed from the following list. Any questions should be directed to Carla Young at (816)823-3642, FAX (816)823-3656, or email carla.young@gsa.gov.
